## Graphing Atlanta Sports

Bar graphs compare like categories or amounts.

Make a quality bar graph of the following data:

## Atlanta Falcons Pass Receptions 2010 Season

| Player | Pass Receptions |
| :---: | :---: |
| Harry Douglas | 22 |
| Brian Finneran | 19 |
| Tony Gonzalez | 70 |
| Michael Jenkins | 41 |
| Ovie Mughelli | 13 |
| Justin Peele | 10 |
| Jason Snelling | 44 |
| Michael Turner | 12 |
| Eric Weems | 6 |
| Roddy White | 115 |

After you create the graph, analyze the data \& answer the following questions:
a. What is the independent (what changed) variable?
b. The dependent (what was measured) variable?

## Atlanta Falcons Pass Receptions 2010 Season

| - |  |  |  |  |  |  |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |  |

Line graphs show relationships between two variables or sets of data. In other words, they show how one thing (variable) is affected by another variable and how the variables change depending on one another. They show how one variable differs with another.

Make a quality double line graph of the following data:
Atlanta Braves (Regular Season Record)

| Season | Wins | 2000-2010 |
| :---: | :---: | :---: |
| 2010 | 91 | Losses |
| 2009 | 86 | 71 |
| 2008 | 72 | 76 |
| 2007 | 84 | 90 |
| 2006 | 79 | 78 |
| 2005 | 90 | 83 |
| 2004 | 96 | 72 |
| 2003 | 101 | 66 |
| 2002 | 101 | 59 |
| 2001 | 88 | 59 |
| 2000 | 95 | 74 |

After you create the graph, analyze the data \& answer the following questions:
a) What is the independent (what changed) variable?
b) The dependent (what was measured) variable?

Atlanta Braves (Regular Season Record) - 2000-2010
